Sailing Instructions: Amendment 1

1. **SPONSOR GUESTS**

Reasoning

In order to accommodate sponsor guests on a boat without affecting its certification under applicable rating rules, the race committee is excepting sponsor guests from crew number and weight limits. This amendment modifies the sailing instructions to reflect those exceptions.

Amendment

Insert the following paragraph as new SI 1.3.5 and renumber the existing paragraph 1.3.5 as 1.3.6:

1.3.5. In the context of ORR 4.02 and SoCal52 Class Rules Number of Crew, any sponsor guest provided to a boat by the OA shall not count as "crew."

2. **SCORING GATE**

Reasoning

Preliminary feedback from participants was clear that while interesting, the idea of a mid-course scoring gate seemed tactically limiting. This amendment modifies the sailing instructions to remove the scoring gate.

Amendment

Delete SI 10.4 and SI 14 in their entireties and renumber subsequent numbered paragraphs and references to them accordingly. Delete Attachment B in its entirety and replace with a new Attachment B, included with this amendment.

3. **SAILING INSTRUCTIONS VERSIONING**

Reasoning

The sailing instructions include a version number so that participants can keep current with instructions and amendments. As amendments are made, the race committee will change the version of the sailing instructions by incrementing the version number accordingly.

Amendment

Change the current sailing instructions version number from 1.00 to 1.01, effective as of the date of this amendment.

For the race committee

/s/ Kevin Hawkins
